

# SR Fenestration Pvt. Ltd.

(Formerly known as S.R. Innovation)

**Advancing Steel and Facade Engineering**

## Establishment

S. R. Innovation was established in 2007 / SR Fenestration Pvt. Ltd. has established in 2025 with a clear vision to deliver exceptional aluminum-based architectural solutions that redefine modern construction. Over the years, we have grown into a trusted and leading name in the aluminum industry, specializing in the design, manufacturing, and installation of aluminum doors, windows, and façades. Our journey is marked by a commitment to excellence, innovation, and a passion for delivering projects that not only meet but exceed client expectations.

## Project Execution

At SR Fenestration Pvt. Ltd., we ensure seamless project execution through meticulous planning, advanced technology, and skilled professionals. From initial consultation to final installation, every phase is managed with precision to meet client requirements. Our streamlined processes, including design customization, quality checks, and timely delivery, guarantee superior outcomes. With a focus on innovation and customer satisfaction, we deliver reliable solutions in facade, aluminum doors, windows, and railings, ensuring excellence in every project.

## Focused on customers Culture

At SR Fenestration Pvt. Ltd., we prioritize a client-focused culture by consistently delivering exceptional products and personalized services. Our commitment lies in understanding client needs, fostering transparent communication, and exceeding expectations with innovative solutions. With a dedicated team and a passion for excellence, we aim to build lasting relationships, ensuring customer satisfaction and trust are at the core of our operations.

## OUR VISION

To become a global leader in aluminum architectural solutions by redefining innovation, quality, and sustainability, while transforming spaces into modern masterpieces that inspire and endure.

## OUR MISSION

Our mission is to deliver exceptional aluminum architectural solutions by combining innovation, quality, and precision. We are dedicated to exceeding customer expectations through customized designs, timely project execution, and unparalleled craftsmanship.

## CORE VALUES

Uphold the fundamental ideas that the founders instilled. Be fair when interacting with all parties involved. Continue to prioritize process and product quality. Integrate responsibility, openness, and honesty into company culture.

## Why Choose SR Fenestration?

### Commitment to Quality

At SR Fenestration Pvt. Ltd. quality is at the core of everything we do. We use premium-grade aluminum and advanced manufacturing techniques to ensure our products meet the highest standards.

### Innovative Solutions

We stay ahead of industry trends by incorporating the latest technologies and design innovations into our products and services.

### Timely Project Delivery

We value your time and ensure that every project is completed within the agreed timeline without compromising on quality.

### Experienced Team

Our team comprises skilled professionals with extensive experience in the aluminum industry. Their expertise enables us to tackle projects of any scale and complexity.

### Customer-Centric Approach

Our clients are at the heart of our business. We work closely with them to understand their vision and deliver customized solutions that align with their requirements.

## Working Culture

At SR Fenestration Pvt. Ltd., our working culture is built on the principles of collaboration, innovation, and excellence. We believe in fostering a team-oriented environment where every member contributes to achieving shared goals. Our commitment to quality and customer satisfaction drives us to deliver exceptional aluminum solutions tailored to client needs. Open communication and mutual respect are at the heart of our operations, ensuring a positive and inclusive workplace.

Innovation is a cornerstone of our culture, with a focus on adopting advanced technologies and encouraging creative problem-solving. We uphold ethical practices, emphasizing integrity, honesty, and sustainability in everything we do. At SR Fenestration, we value our employees, providing opportunities for growth and recognizing their efforts to keep them motivated and empowered. This cohesive and forward-thinking culture allows us to consistently deliver outstanding results for our clients while nurturing a dynamic and rewarding workplace.

- **Facade Systems:** Innovative and durable facade solutions that enhance architectural aesthetics and performance.
- **uPVC & Aluminum (Doors & Windows):** High-quality, energy-efficient designs for residential and commercial applications.
- **Railings:** Elegant and sturdy railing systems designed for safety and style.
